JUNE 5TH

The DG of NITDA, Kashifu Inuwa, received a delegation from World Bank and World Trade Organisation for Digital Trade Engagement, led by Aleksandar Stojanov, at the Agency's Corporate Headquarters in Abuja.

The purpose of the visit was to discuss priority areas in digital trade, share initial findings from the Digital Trade Regulatory Gap Analysis, and explore collaborative opportunities in digital trade, cross-border data services, and digital regulations within the ecosystem.

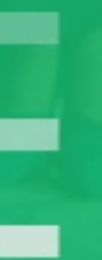

JUNE 7TH

In line with our SRAP 2.0, NITDA has forged a strategic partnership with NYSC to foster digital literacy and cultivate talent, through the Digital Literacy for All (DL4ALL) Initiative.

The partnership aims to train 30 million Nigerians, particularly youth, in digital skills, enabling them to access essential digital services, participate in the digital economy, compete for jobs, and enhance their employability. This initiative aligns with the President's Renewed Hope Agenda, which seeks to reform the economy and deliver sustained inclusive growth by leveraging digital literacy and cultivating a pool of tech talent.
